A disabled driver shall also include the owner of a motor vehicle with a vision of not more than 20/200 with correcting glasses.

Such condition shall be certified by a Christian Science practitioner listed in The Christian Science Journal as resulting in a degree of disability so that such person is not able to get about without great difficulty.

(2.) A disabled passenger is a person who meets the above requirements for a disabled driver.

(3.) The County Clerks shall, upon application accompanied by a physician's statement, provide and issue registration and license plates of distinctive design to disabled drivers.
